Cameron B. Lohman

Cell: (757) 567-8816   surfercbl13@gmail.com

_____

Soon to be Computer Science graduate from Virginia Commonwealth University with numerous classroom hours in computer programing and engineering courses. Seeking a position where I can learn and grow from experienced team members while drawing on previous project experience.

Education

B.S. of Computer Science

Virginia Commonwealth University, Richmond, VA   Exp. Graduation December 2024

Relevant Course Work

- Operating Systems
- Data Structure and Object Programming
- Computer Systems
- Software Engineering
- Discrete Structures
- Linear Algebra
- Theory of Computation
- Databases

Skills

- Languages: JAVA, Python, C/C++/C#, LC3-Assembly, JavaScript/Typescript, HTML/CSS, SQL
- Operating Systems: Microsoft Windows, Mac OS, Linux, Unix
- Frameworks: React, Node.js, Angular
- Tools: MATLAB, SOLIDWORKS, TensorFlow, OpenAI
